Piotr Smogór (pio) - b. 01.02.1975, in Zabkowice Slaskie. The adventure began with painting art classes in Kłodzko. He worked as a performer in the gallery Kłodzko Cultural Centre. On the study of philosophy at the University in Wrocław participated in the lessons of the Artistic Culture Study E. Geppert in Wrocław. The resulting works are the color compositions of still life, study drawings and color decomposition of the surrounding reality.

Means of expression: painting, drawing, monotype, mini movies, computer graphics and animation. He paints mainly figurative compositions subdued favor sometimes hidden symbolism, sometimes with elements of modern programming languages or using keywords. Interested in the problem of penetration of the plans and layers of perception transferring it to the media arts. Thematically oscillates between socially engaged art and expression within a framework of memories, unspoken and ideas. In his artistic achievements are several collective exhibitions and three individual exhibitions: Unknown stories (Wrocław 2010), Moment (Wrocław 2012), body\_2 (Wrocław 2013), Projection (Warsaw 2014), figurative\_landscape (Wrocław 2016), affairs of residents (Wrocław 2017), figures (Budapest 2017), from\_PEOPLE (Wrocław 2019), art and wine (Wrocław 2019).

Tytuł wystawy «od-LUDZIE» może sugerować pustkowienie, odległość czy zaprzeczenie, ale w rzeczywistości tylko  
człowiek tworzył i będzie stworzył. Istnieje nadzieja na odzyskanie i wydobycie na własnych warunkach - w tym  
małymi krokami - i zaprzeczeniem samej siebie, jej odmocnieniem.
